6. (1) The income and property of the charity must be applied solely towards the promotion of the Objects.

(b) reasonable and proper remuneration for any goods or services supplied to the charity.

### **Benefits and payments to charity directors and connected persons**

#### **General provisions**

7. (1) No director or connected person may:

(b) sell goods, services, or any interest in land to the charity;

(c) be employed by, or receive any remuneration from, the charity;

(d) receive any other financial benefit from the charity;

unless the payment is permitted by sub-clause (2) of this article, or authorised by the court or the Charity Commission. In this article, a 'financial benefit' means a benefit, direct or indirect, which is either money or has a monetary value.

## **Circumstances in which charity directors or connected persons may benefit**

- (2) (a) A director or connected person may receive a benefit from the charity in the capacity of a beneficiary provided that it is available generally to the beneficiaries of the charity.
- (b) A director or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the charity where that is permitted in accordance with, and subject to the conditions in, sections 88, 89 and 90 of the Charities Act (Northern Ireland) 2008.
- (c) Subject to sub-clause (3) of this article, a director or connected person may provide the charity with goods that are not supplied in connection with services provided to the charity by the director or connected person.
- (d) A director or connected person may receive interest on money lent to the charity at a reasonable and proper rate, which must be not more than the Bank of England bank rate (also known as the base rate).
- (e) A director or connected person may receive rent for premises let by the director or connected person to the charity. The amount of the rent and the other terms of the lease must be reasonable and proper. The director concerned must withdraw from any meeting at which such a proposal, the rent, or other terms of the lease are under discussion.
- (f) A director or connected person may take part in the normal trading and fundraising activities of the charity on the same terms as members of the public.

### **Payment for supply of goods only– Conditions**

(3) The charity and its directors may rely upon the authority provided by sub-clause (2)(c) of this article only if each of the following conditions is satisfied:

- (a) The amount or maximum amount of the payment for the goods is set out in an agreement in writing between the charity or its directors (as the case may be) and the director or connected person supplying the goods ('the supplier') under which the supplier is to supply the goods in question to or on behalf of the charity.
- (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- (c) The other directors must be satisfied that it is in the best interests of the charity to contract with the supplier rather than with someone who is not a director or connected person. In reaching that decision, the directors must balance the advantage of contracting with a director or connected person against the disadvantages of doing so.
- (d) The supplier must be absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the charity.
- (e) The supplier must not vote on any such matter and must not to be counted when calculating whether a quorum of directors is present at the meeting.
- (f) The directors must have had regard to any guidance given by the Commission concerning the making of such agreements before entering into an agreement with the supplier.
- (g) The reason for their decision must be recorded by the directors in the minute book.
- (h) The number of directors in receipt of remuneration or payments authorised by article 7 or connected to a supplier must form a minority of those then in office.
- (i) The duty of care in section 1(1) of the Trustee Act (Northern Ireland) 2001 is applied to each director when making such a decision as mentioned in Article 7(3)(c).

(4) In sub-clauses (1), (2) and (3) of this article:

- (a) 'charity' includes any company in which the charity:
  - (i) holds more than 50% of the shares; or

A director must declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the charity, or in any transaction or arrangement entered into by the charity, which has not previously been declared. A director must absent himself or herself from any discussions of the charity directors in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the charity and any personal interest (including but not limited to any personal financial interest). Such a director must not be counted in any vote or quorum on this matter.

## **Conflicts of interests and conflicts of loyalties**

9. (1) If a conflict of interests arises for a director because of a duty of loyalty owed to another organisation or person and the conflict is not authorised by virtue of any other provision in the articles, the unconflicted directors may authorise such a conflict of interests where the following conditions apply:

- (a) the conflicted director is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other organisation or person;
- (b) the conflicted director does not vote on any such matter and is not to be counted when considering whether a quorum of directors is present at the meeting; and
- (c) the unconflicted directors consider it is in the interests of the charity to authorise the conflict of interests in the circumstances applying.

(2) In this article, a conflict of interests arising because of a duty of loyalty owed to another organisation or person refers only to such a conflict that does not involve a direct or indirect benefit of any nature to a director or to a connected person.

(b) The directors must inform the applicant in writing of the reasons for the refusal within twenty-one days of the decision.

## **Adjournment**

20. (1) The persons present in person or by proxy at a meeting may resolve by ordinary resolution that the meeting must be adjourned.

- (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

### **Delivery of proxy notices**

23. (1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the charity by or on behalf of that person.

(2) An appointment under a proxy notice may be revoked by delivering to the charity a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.

(3) A notice revoking a proxy appointment takes effect only if it is delivered before the start of the meeting or adjourned meeting to which it relates.

(4) If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointer's behalf.

(3) Any meeting of directors at which a quorum is present at the time the relevant decision is made may exercise all the powers exercisable by the directors.

The Registrations Committee may allow a replacement player to be registered on a later date where it is satisfied that the player originally registered has become unavailable as a result of serious injury or international, provincial or state selection by his or her home country.

**A9.** Clubs are solely and entirely responsible for the accuracy of the information supplied in support of an application for the registration of a player.

## **Starring**

Any club failing to notify each Section Secretary shall be liable to be fined by the Directorate. Such applications should be submitted as early in the week as possible. No application received after Thursday shall take effect until after the following weekend.

**A12.** Details of the player it wishes to de-star and of the player it wishes to star in his or her place, with analyses of their performances over the previous three matches in competitions organised by the Union, shall be given on the form provided. Such alterations shall be subject to scrutiny by the Directorate. No such application shall be made after 31<sup>st</sup> July unless required by A13 or A23 below.

**A13.** A player starred for a team and not playing for that team or a higher team for a period of three consecutive matches or three weeks, whichever be the greater, or who sustains an injury sufficiently serious to be likely to prevent him or her from playing for such a period, or who otherwise becomes unavailable for such a period, shall forthwith be de-starred by his or her club and another player starred in his or her place. A player who is de-starred because of absence or injury shall, before playing again, be re-starred at a level appropriate to his or her playing ability. Where a player is unavailable to play for the team for which he or she is starred in any match because of his or her selection for an Irish international squad, he or she shall be deemed for the purposes of this rule to have played for the team in the match. Failure to comply with starring requirements may result in forfeiture of points and/or elimination from cup competitions at the discretion of the Directorate or the Competitions Committee.

**A14.** A player may transfer clubs during the season only with the approval of the Directorate. No transfer shall be approved after 31<sup>st</sup> July.

**A15.** The list of registered players and the starrings in effect on 31<sup>st</sup> August shall remain in force until replaced by a new list for the following season.

## **Scrutiny**

**A16.** All registrations and starrings shall be scrutinised by the Registrations Committee, which shall:

- in respect of players who are currently eligible to play for Ireland in all ICC men's or women's competitions in which it participates, require the starring for a higher team of any player whom it believes to be of cricketing ability so much in excess of the standard generally obtaining in the competitions for which registration is sought, as to make his or her participation unfair to other players and teams participating therein;
- in respect of players who are not currently eligible to play for Ireland in all ICC men's or women's competitions in which it participates, refuse or withdraw the registration, or require the starring for a higher team, of any player whom it believes to be of cricketing ability so much in excess of the standard

generally obtaining in the competitions for which registration is sought, as to make his or her participation unfair to other players and teams participating therein.

**A17.** In determining whether or not a player's cricketing ability is appropriate to particular competitions, the Registrations Committee shall take account of any general guidance given to it by the Directorate.

**A18.** Notwithstanding the foregoing, the Registrations Committee shall not refuse or withdraw the registration of any player who was first registered by the club as a school pupil and has not subsequently played for another club (other than a university club).

**A19.** Where the Registrations Committee becomes aware that a player's registration has been approved on the basis of inaccurate or incomplete information, it may rescind the registration with retrospective effect. Where a registration is so rescinded, the club shall be regarded as having fielded an ineligible player in any match in which the player concerned had played since his or her registration was originally approved.

**A20.** The Registrations Committee may delegate such powers as it deems appropriate to a designated person. After 1<sup>st</sup> June, any power of the Registrations Committee may be exercised by the Directorate.

### **Eligibility**

**A21.** No player may play for a club until his or her registration for the current season has been accepted by the Registrations Committee, or for a team more junior than that for which he or she is starred.

**A22.** Even if subsequently de-starred, no player shall play in a cup competition more junior than that entered by the team for which he or she was starred on 31<sup>st</sup> May. Except for players eligible to play in the Under 15 League, or replacement players who have been approved in accordance with A8 above, no player registered after this date may play in the Challenge or Junior Cup, and no player registered after 30<sup>th</sup> June may play in the Intermediate, Minor (Lindsay) or Minor Qualifying Cup.

**A23.** No player who has participated in international cricket, or played in two or more senior inter-provincials within the previous twelve months, may play for a team other than the 1<sup>st</sup> XI without the approval of the Registrations Committee.

**A24.** No player may play for more than one club in cup competitions in any season.

**A25.** In determining whether or not a player is resident in Northern Ireland for purposes unconnected with cricket, the Registrations Committee shall take account of any general guidance given to it by the Directorate.

**A26.** No player who is not currently eligible to play for Ireland in all ICC men's or women's competitions in which it participates may play, or act as a substitute, in any cup competition other than in a Challenge Cup match against a team from the same Section, or a team from a different Section where both clubs so agree; and not more than one such player may play in the same team in any cup or league match. This restriction shall not apply to players who are serving with HM Forces in Northern Ireland or to a person who, having been resident in Northern Ireland for less than four years, satisfies the Registrations Committee that he or she was so resident for purposes unconnected with cricket.

**A27.** No player currently registered for a club in another Union affiliated to the Irish Cricket Union may be registered without the prior approval of the Registrations Committee. No player transferring from such a club may be registered without that club's prior written approval.

**A28.** No player joining a club, having previously been registered by another club, may play for his or her new club until he or she has satisfied the Union that he or she has met all financial and/or contractual obligations (apart from those arising from a contract of employment) to his or her previous club.

**A29.** Any dispute between the clubs and/or between a club and the player arising from the interpretation of A28 shall be adjudicated upon by a suitably qualified and independent third party appointed by the Union, whose decision shall be final and binding upon all parties to such dispute. The costs of such adjudication shall be borne equally by the parties unless the adjudicator otherwise directs.

**A30.** A player shall normally be registered for only one club at any time. However, where the player's normal club does not participate in the Mid-Week League, or in an age-group competition for which the player is eligible, the player may be registered by another club solely in respect of the competition(s) in question. The competition(s) shall be specified on the registration form, which shall also indicate the player's normal club.

**A31.** If an ineligible player plays or acts as a substitute in any match, his or her club shall be deemed to have lost the match. In addition it shall be fined by the Registrations Committee.

**A32.** No player not normally resident in the Union's area may play in league or cup competitions for a club in Section 3 of the Senior League unless the club satisfies the Registrations Committee that the player is in the area for purposes unconnected with cricket.

**A33.** Only one player not normally resident in the Union's area may play in league or cup competitions for a club in Section 1 or 2 of the Senior League. The club must satisfy the Registrations Committee that the player holds a coaching qualification at or equivalent to ECB Level 2. This restriction shall not apply to any player approved by the Registrations Committee as being in the area for purposes unconnected with cricket.

**A34.** Only two players not normally resident in the Union's area may play in league or cup competitions for a club in the Premier League, at least one of whom must be qualified to play for Ireland. The club must satisfy the Registrations Committee that any non-Irish qualified player registered under this rule holds a coaching qualification at or equivalent to ECB Level 2. ## **Grounds**

**A35.** Each club shall submit annually to the Union, not later than 31st October, a list of all the grounds it wishes to have registered for league and cup cricket in the following season.

**A36.** The Directorate shall, on the recommendation of the Grounds Committee, decide upon the suitability of grounds for each Section of the Senior League. Gradings shall be published in conjunction with the current list of registered grounds by 31<sup>st</sup> August each year.

## **Umpires**

**A39. Appointments:** There shall each year be compiled a list of official umpires. These umpires shall be appointed to officiate in all Challenge Cup matches and, as far as is possible, to the Senior League and Section I of the Junior League. Umpires shall be appointed to Junior and Intermediate Cup semi-finals, and these matches shall receive priority over those in all other competitions except the Challenge Cup.

**A40. Fees and Expenses:** In all cup finals, umpires' fees and other expenses shall be borne by the Union. ### **(B) ADMINISTRATIVE RULES APPLYING TO ALL CUP COMPETITIONS**

#### **General**

**B1.** All cup competitions shall be administered by the Directorate, which may delegate to the Honorary Competition Secretary or an Honorary Officer such powers in relation thereto as it deems appropriate.

#### **Fixtures**

**B2.** The Directorate shall fix dates and reserve dates for every round of each competition for the following season.

**B3.** Every match shall be played on or before the date published on the Union's website, but any team wishing to play a match before that date shall first obtain the approval of the Honorary Competition Secretary.

**B4.** Any team failing to fulfil a fixture, except for a reason beyond its control, shall be deemed to have lost the match. In addition, it shall be fined and be liable for any expenses necessarily incurred by its opponents prior to their being notified that the fixture would not be fulfilled. In such circumstances, or if a team fails to fulfil a fixture in an Irish or Ulster competition, any more junior team from the same club shall be deemed to have lost any match played on the same day.

**B5.** The first team drawn in each match shall have choice of ground, except that the Directorate shall decide the venues of finals. Where the home team's ground is unavailable for any reason (other than the hosting of an international match), and the visiting team is able to host the match on its ground, the venue shall be switched accordingly.

**B6.** If a club has more home matches on the same day than it has grounds available, the most junior match(es) shall be played on the published reserve date(s). Alternatively, the match(es) may, if both clubs agree, be played on the Sunday immediately following the scheduled date.

#### **Ground Unplayable**

**B7.** Should a ground be unfit for play owing to rain or other unavoidable cause, the home team shall inform the visiting team and, where umpires have been appointed, the Umpires' Appointments Secretary. This notification shall be made not earlier than 24 hours or later than two hours before play is due to start.

**B8.** Where umpires have been appointed, such a decision not to play may be taken in advance of the due starting time only if both teams agree.

#### **Continuation**

**B9.** In all finals, the continuation arrangements shall be determined by the Directorate, which may also vary the continuation arrangements for other matches.

#### **Rearrangement**

**B10.** A match postponed owing to rain or other unavoidable cause shall be played on or before the published reserve date, but any team wishing to play the match before that date shall first obtain the approval of the Honorary Competition Secretary.

## **Tied Matches**

**B11.** Where a match is tied, the result shall be determined as follows:

- (a) where official umpires have been appointed and ground and weather conditions permit, by the playing of one or two Super Overs in accordance with Bye-Law (w);
- (b) where official umpires have not been appointed, or ground or weather conditions do not permit a Super Over, or both Super Overs are tied, on the basis of fewer wickets lost in the main match;
- (c) in matches other than a final, where (b) applies and each team has lost the same number of wickets, the match shall be played on the reserve date, the visiting team having choice of ground.

**B12.** If a final is tied and a Super Over cannot be played, the teams shall share the trophy.

## **Result Reports**

**B13.** After each match, whether or not play has taken place, the winning team (the home team where no result has been obtained) shall;

- (a) **as soon as possible**, and no later than midnight on the day of the match, send summarised details of the match for publication on the Union's website;
- (b) **within four days** of the completion or abandonment of the match, send complete details of the match to the person designated in respect of the particular competition.

The Union will advise clubs annually of the level of detail required in each case, the approved format and method(s) of transmission, and the address to which each should be sent. A club failing to fulfil its obligations under this rule shall be fined.

## **Protests and Appeals**

**B14.** Protests regarding cup fixtures shall be submitted to the Union within seven days of the completion of the match, a copy being sent to the Match Secretary of the opposing team.

In the final, no deduction shall be made until one hour has been lost. The number of overs shall not be reduced below 20 overs per side.

**C9.** In a delayed or interrupted match where the overs are reduced for both teams, or for the team bowling second, no bowler may bowl more than one-fifth of the recalculated number of overs (unless the bowler had already done so before the interruption).

**C10.** Where the total number of overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler as necessary to make up the balance.

### **Rearranged Matches**

**C11.** If, in a match rearranged in accordance with B10, 20 overs are not bowled in the second innings, and a result is not otherwise obtained, there shall be one further rearrangement. This shall be played as a 20 over match on or before the Thursday evening following the reserve date. The playing regulations shall be as for a 20 over Match 2 league match (G25–31) with the exception set out below.

**C12.** In a further rearranged match up to and including a semi-final, if 20 overs are not bowled in the second innings, and a result is not otherwise obtained, a bowl-out shall take place as follows:

- (i) Five members of each team shall each bowl one overarm delivery at an unguarded wicket. Players from each team shall alternate. The team that puts down the wicket the greater number of times shall be the winner.
- (ii) If the teams are level after each designated member has bowled, a sudden-death play-off shall take place, with the same bowlers from each team alternating in their original order until a winner has emerged.
- (iii) A No ball or Wide ball shall count as a ball bowled but shall in no circumstances be regarded as having put down the wicket.

- (iii) A No ball or Wide ball shall count as a ball bowled but shall in no circumstances be regarded as having put down the wicket.

## **LEAGUE COMPETITIONS**

### **(F) ADMINISTRATIVE RULES APPLYING TO ALL LEAGUE COMPETITIONS**

#### **General**

**F1.** All league competitions shall be administered by the Directorate, which may delegate to the Competitions Committee or Honorary Section Secretaries such powers in relation thereto as it deems appropriate.

**F2.** There shall be a Senior League, open to clubs' first elevens, and a Junior League, open to clubs' second, third and lower elevens and the first eleven of a new or developing club where this is deemed by the Directorate to be in the interests of the wider development of the game. Such a club's first eleven may be permitted to play in the Junior League, starting in the lowest Section, for a period of up to three seasons or until the club enters a second eleven. Thereafter the club's first eleven shall play in the Senior League.

**F3.** Each League shall be divided into Sections. In the Senior League, the Sections shall be known as the Premier League and Sections 1, 2, 3, etc. In the Junior League they shall be known as Sections 1, 2, 3, etc. The Premier League shall comprise ten teams. Each other Section shall comprise ten teams in the Senior League and eight teams in the Junior League, except that the last two Sections of each League may comprise more or fewer teams, depending upon the total number of teams competing.

#### **Fixtures**

**F4.** The Directorate shall determine the method to be employed for arranging fixtures for the following season. Any club not represented at a fixtures meeting convened for this purpose shall be liable to a fine not exceeding £20.

**F5.** No match shall be played before the penultimate Saturday in April or after the last Saturday or Sunday in September, whichever be the later.

**F6.** Unless the Directorate grants special permission to the contrary, every match shall be played on or before the date published on the Union's website, but any team wishing to play a match before that date shall first obtain the approval of the Honorary Section Secretary.

**F7.** Any team failing to fulfil a fixture, except for a reason beyond its control, shall be deemed to have lost the match. In addition, it shall be fined and be liable for any expenses necessarily incurred by its opponents prior to their being notified that the fixture would not be fulfilled. In such circumstances, any more junior team from the same club shall be deemed to have lost any match played on the same day (this provision shall also apply where the more senior team has failed to fulfil a fixture in the Irish Senior Cup, Irish National Cup or Ulster Plate). Where a 1<sup>st</sup> XI fails to fulfil a fixture, the Directorate shall determine the adjustment to be made to its and its opponents' aggregate runs and overs for the purposes of calculating net run rate. In the event of a team's second or subsequent failure to fulfil a fixture, the club shall lose a further four league points. However, if a team in one of the bottom three sections of the Junior League is unable to fulfil a fixture, the game may be arranged for another date if both clubs agree and inform the Honorary Section Secretary in writing.

**F8.** No team may aggregate its home and away fixtures against the same opponents as one match played for double points or arrange to play two matches simultaneously or consecutively on the same day, except that two 20-over matches may be played consecutively.

## Postponements

**F9.** Matches may be postponed only where:

- (a) either or both of the teams is scheduled to play a cup match, or has players involved in a Mid-Week league final, on the same date; or
- (b) the Honorary Section Secretary of one of the home club's more senior teams has imposed a rearranged home fixture on the same date; or
- (c) play on the scheduled date has been impossible owing to rain or other unavoidable cause; or
- (d) the fixture is a game in Junior League Section 7 or below and both clubs have informed the Honorary Section Secretary, in writing, that a postponement has been arranged; or
- (e) either or both of the teams are scheduled to play in a Challenge or Junior Cup Final on the preceding day; or
- (f) either or both of the clubs' first elevens are scheduled to play in the final of the Challenge or Junior Cup, the Ulster Cup or Shield, the Irish Senior or National Cup, or the Twenty20 Cup on the same day.

## Ground Unplayable

**F10.** Should a ground be unfit for play owing to rain or other unavoidable cause, the home team shall inform the visiting team and, where umpires have been appointed, the Umpires' Appointments Secretary. This notification shall be made not earlier than 24 hours or later than 2 hours before play is due to start.

**F11.** Where umpires have been appointed, such a decision not to play may be taken in advance of the due starting time only if both teams agree.

## Result Reports

**F12.** After each match, the winning team where a result has been achieved, or the home team where no play has taken place or the match has been tied or abandoned, shall:

- (a) **as soon as possible**, and no later than midnight on the day of the match, send summarised details of the match for publication on the Union's website;
- (b) **within two days** of the completion or abandonment of a 1<sup>st</sup> XI match, or **four days** in respect of other matches, send complete details of the match to the person designated in respect of the particular competition.

The Union will advise clubs annually of the level of detail required in each case, the approved format and method(s) of transmission, and the address to which each should be sent. A club failing to fulfil its obligations under this rule shall be fined.

## Protests and Appeals

**F13.** Protests regarding league fixtures shall be submitted to the Honorary Section Secretary concerned within seven days of the completion of the match, a copy being sent to the Match Secretary of the opposing team.

## Points

**F14.** Points shall be awarded as follows: Win - 4 points, Tie - 2 points, No Result – 0 points.

**F15.** Each Section shall be won by the team with the greatest number of points. Where there is a tie at the top of a section of the Senior League, the trophy shall be awarded to the team with the highest net run rate over the season. In the event of such a tie in the Junior League, the clubs shall share the trophy.

**F16.** A team that withdraws from league competition, or is expelled from the Union, at any time after its fixtures have been made, shall have any matches played before its withdrawal or expulsion declared void. The

team shall be placed at the bottom of its Section and shall, for the following season, be relegated to a Section to be determined by the Directorate.

## Promotion and Relegation

**F17.** There shall be annual promotion and relegation between the Sections of each League.

**F18. Promotion:** The team finishing first in Section 1 of the Senior League, the team finishing first in Section 2 of the Junior League, and the teams finishing first and second in each other Section shall be promoted, provided that the Directorate is satisfied that the ground, pitch, outfield and pavilion of each are suitable for the higher Section and that the general administration and day-to-day running of each club are satisfactory. If these requirements are not satisfied in respect of any such team, but are satisfied by the team finishing in the next lower position, the latter may be promoted.

**F19. Relegation:** The team finishing bottom of the Premier League, the team finishing bottom of Section 1 of the Junior League, and the teams finishing bottom and second from bottom in each other Section shall be relegated only to the extent that is necessary in order to allow teams in the Section below to be promoted. In addition, any team whose ground and pavilion facilities drop below the required standard shall also be liable to relegation. The Directorate, on the advice of the Grounds Committee, shall decide to which Section any team shall be relegated and shall make any necessary adjustments in the composition of the Sections.

**F20. Promotion and Relegation following a Tie:** Where there is a tie at the top or bottom of a Section, the Directorate shall determine which team shall be promoted or relegated on the following basis:

- (i) in the Senior League, on the basis of the teams' net run rate over the season (or, if they are still tied, the immediately previous season, and so on as necessary); and
- (ii) in the Junior League, on the basis of the teams' records in the immediately previous season (or, if they are still tied, the season before that, and so on as necessary).

**F21.** For the purposes of F20(i) above, a team's net run rate shall be calculated as follows:

- (i) a team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.
- (ii) in the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled, and not on the number of overs in which the team was dismissed.
- (iii) only those matches where results are achieved will count for the purpose of net run rate calculations. Where the second innings is curtailed, but a result is achieved under Duckworth/Lewis/Stern, for net run rate purposes Team 1 will be credited with Team 2's Par Score on curtailment off the same number of overs faced by Team 2. Where a match is concluded, but with Duckworth/Lewis/Stern having been applied at an earlier point in the match, Team 1 will be credited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

### **REGULATIONS APPLYING TO ALL MATCHES**

**G2.** In a delayed or interrupted match where the overs are reduced for both teams, or for the team bowling second, no bowler may bowl more than one-fifth of the recalculated number of overs (unless the bowler had already done so before the interruption).

**G3.** Where the total number of overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler as necessary to make up the balance.

#### **Rearrangements**

**G4.** Matches shall be rearranged as follows:

(i) Match 1 (ie where G11(b) applies) - for a date no later than the fourth Sunday following the postponement, or such earlier cut-off date as may be set by the Directorate.

(ii) Match 2 – for the second Thursday following the postponement or abandonment or, with both clubs' agreement, any other date within fifteen days thereof.

**G5.** The Match Secretary of the home team shall, within four days of the date of postponement or abandonment, inform the Honorary Section Secretary, in writing, of the rearrangement, copying the letter to the Match Secretary of the visiting team and the Umpires' Appointment Secretary.

**G6.** If the Honorary Section Secretary has not been informed of the rearrangement by the fourth day after the postponement or abandonment, he shall set a date, which shall be the date prescribed by G4 above or as early a date as is reasonably practicable, and shall inform the Match Secretaries of both teams and the Umpires' Appointments Secretary of the rearrangement.

#### **Fitness of Ground**

**G7.** It is solely for the umpires together to decide whether either conditions of ground, weather or light, or exceptional circumstances, mean that it would be dangerous or unreasonable for play to take place.

**G8.** Covers shall be used to cover the pitch before the match whenever weather conditions make it appropriate. Once play has started and is interrupted by rain, covers shall be used. The club staging the game shall ensure that the pitch is covered as quickly as possible when required.

#### **Result**

**G9.** Where both teams have the same number of overs available:

- (i) the team that scores the greater number of runs shall be the winner;
- (ii) if the scores are equal at the end of a match, the match shall be a tie.

**G10.** Where the number of overs in the innings of either team has to be revised due to suspension of play after the start of the match:

- (i) a revised target score shall be set for the number of overs that the team batting second will have the opportunity of facing, using the current Duckworth/Lewis/Stern method;
- (ii) the team batting second shall be the winner if it achieves the target score;
- (iii) if the team batting second fails to reach target by 1 run, the result shall be a tie;
- (iv) if the team batting second fails to reach the target by more than one run, the team batting first shall be the winner;
- (v) if play is terminated before the team batting second has had the opportunity to bat for its revised allocation of overs, the result shall be determined on the basis of the target score for the number of overs actually faced.

## **MATCH 1 PLAYING REGULATIONS**

### **Definition**

**G11.** Match 1 is:

- (a) the original scheduled fixture, or
- (b) the rearrangement of any fixture that has been postponed for reasons other than ground or weather conditions.

### **Hours of play**

**G12.** Play may start at any time agreed by both teams, but not later than:

- (a) Premier League and Senior League Section 1 – 12 noon from April to August (in April, May or June a club with two or more 1<sup>st</sup> XI players involved in schools' cricket on the same day as a player, coach or teacher may elect to defer the start to 1 pm); or 11.30 am in September.
- (b) Senior League Sections 2 & 3 – 1 pm.
- (c) Junior League Section 1 – 1 pm in April, May or June; 12 noon from July to September.

**G13.** Tea in an uninterrupted match shall normally be taken at the close of the first innings. In the event of weather or other interruptions, the tea interval shall be taken so as to allow as many overs as possible to be bowled in the first innings. In an interrupted game, if play is not in progress 3 hours and 40 minutes after the scheduled starting time, tea shall be taken.

**G14.** By mutual agreement, a Match 1 rearrangement due to be played before 15<sup>th</sup> August may be rearranged for two consecutive nights and may start at any time agreed by both teams, but not later than 6.30 pm in April, May or June, or 5.30 pm in July or August.

## **WOMEN'S LEAGUE AND CUP REGULATIONS**

In Women's Premier League, Women's Senior League Section One, Women's Challenge Cup and the Women's Challenge Plate the NCU Competition Rules sections A, B and F are applicable with the following amendments and additions. All matches are also subject to the Twenty20 Rules.

### **(A) ADMINISTRATIVE REGULATIONS APPLYING TO ALL COMPETITIONS**

#### **Starring**

**A10.** On the list of registered players, a club with two women's teams shall star the best five players normally selected for the 1<sup>st</sup> XI. However, all players that are included in NCU Senior Training squads or have represented the NCU Senior or Future Series team twice or more in the past 12 months, are automatically to be starred, irrespective of the number of these players that a club may have. Clubs may apply for an exemption if they feel a player of theirs is not a regular in the Interprovincial set up and was just helping.

#### **Eligibility**

**A24.** A player shall normally be registered for only one club in the Union at any time. However, when a player's primary club does not offer girls and/or women's cricket, an exemption may be applied for through the registrations committee.

### **(B) MATCH REGULATIONS APPLYING TO ALL CUP COMPETITIONS**

#### **Ground Unplayable**

**B4.** This rule is applicable only in the Women's Challenge Cup.

**B11.** Not applicable.

### **(F) ADMINISTRATIVE RULES APPLYING TO ALL LEAGUE COMPETITIONS**

**F7.** This rule is applicable only in the Women's Premier League only.

#### **Points**

**F15.** Each Section shall be won by the team with the greatest number of points. Where there is a tie at the top of a section of the Senior League, the winner shall be decided by a play-off or a series of play-offs if there are more than two teams tied. Where a play-off is not possible, the winner shall be decided by the head-to-head results during the season. Where this does not determine a winner, the trophy shall be shared. In the event of such a tie in the Junior League, the clubs shall share the trophy.

#### **Promotion and Relegation**

**F17.** There shall be annual promotion and relegation between the Sections of each League.

**F18. Promotion:** The team finishing first in Section 1 of the Senior League (where it is a 1<sup>st</sup> XI) and the team finishing first in Section 1 of the Junior League, shall be promoted, provided that the Directorate is satisfied that the ground, pitch, outfield and pavilion of each are suitable for the higher Section and that the general

administration and day-to-day running of each club are satisfactory. If these requirements are not satisfied in respect of any such team or teams but are satisfied by the team finishing in the next lower position, the latter may be promoted.

The Directorate may offer promotion to any other teams as it sees fit in order to increase the number of teams in any league to a maximum of 8 teams.

**F19. Relegation:** Where a league consists of 8 teams, the team finishing bottom of that league shall be relegated only to the extent that is necessary in order to allow teams in the Section below to be promoted. Where a league does not consist of 8 teams there will be no relegation. In addition, any team whose ground and pavilion facilities drop below the required standard shall also be liable to relegation. The Directorate, on the advice of the Grounds Committee, shall decide to which Section any team shall be relegated and shall make any necessary adjustments in the composition of the Sections.

**F20. Promotion and Relegation following a Tie:** Where the top or bottom place is tied, a play-off or play-offs shall be organised as necessary to determine the teams to be promoted and relegated. Where this is not possible, the winner shall be decided by the head-to-head results during the season. Where this does not determine a winner, it shall be decided on the basis of the teams' net run rate over the season (or, if they are still tied, the immediately previous season, and so on as necessary).

The following additional rule shall also apply:

#### **(I) ADMINISTRATIVE RULES APPLYING TO WOMEN'S COMPETITIONS**

**I1.** In matches in Women's Section One other than in the last scheduled over of an innings, the penalty for a wide shall be 1 run and only the first two wides shall result in an extra delivery (ie: there shall be a maximum of 8 deliveries in any over). In the last scheduled over of an innings the penalty for a wide shall be 1 run and any delivery deemed to be wide will result in an extra delivery being bowled.

#### **Team Size**

**I2.** In Senior League Section One and the Challenge Plate Only, teams shall comprise of anywhere between 8 and 12 players. This should be communicated beforehand between captains and/or coaches, so both teams can field the same number of players.

#### **Number of Overs per Bowler**

#### **Mandatory Retirement**

**I4.** In Senior League Section One and the Challenge Plate Only, any batter whose score reaches or passes 30 shall retire immediately and may return only on the dismissal or retirement (under this Regulation or because of illness, injury or any other unavoidable cause) of the last batter.

## **WOMEN'S JUNIOR LEAGUE SECTION ONE REGULATIONS**

Competition Rules sections A, B and F are in general applicable, along with the amendments and additions outlined in the women's league and cup regulations. All matches are also subject to the Twenty20 Rules.

**The following are the Union's recommendations in relation to these rules for all matches played in Women's Junior League Section One, and clubs are strongly encouraged to follow these recommendations. However, if clubs feel these do not suit the needs of their team involved, the Union is happy with clubs adopting rules and regulations that they feel do satisfy the team's needs. It should be remembered that Women's Junior League Section One is a developmental league and matches should be played in this spirit. If clubs cannot agree on a matchday as to what will be most beneficial for both teams, the following will be used as "the default" rules and regulations for the match.**

### **Regulation of Play**

The Women's Junior League Section One will be a pairs cricket competition. It will be up to clubs involved to agree the finer details of the pairs or other ruling they would like to adopt. This shall be decided based on the standard of both teams involved and shall apply to both teams during the match.

### **Clothing**

All players and teams should take the field in their respective and unified club colours.

### **Balls**

Any of the balls, listed below, can be used in Women's Junior League Section One. However, this needs to be communicated by both teams beforehand, and both teams are required to use the same ball, unless otherwise agreed upon:

- Quartered white/pink 5oz Cricket ball (default)
- Senior Pink/White Incrediball
- Indoor Cricket ball
- Taped up tennis ball
- Kwik Cricket ball
- Tennis ball

### **Team Size**

Teams shall comprise of anywhere between 8 and 12 players. This should be communicated beforehand between captains and/or coaches, so both teams can field the same number of players.

In such circumstances where pairs cricket is not being played, and there are less than 11 players, the team's innings shall end when one of the two batters involved in the last batting pair is dismissed.

### **Number of Overs per Bowler**

In games where pairs cricket is not being played, bowlers will be allowed to bowl a maximum of 3 overs.

### **Wides and no-balls**

Wides and no balls shall both be a one run penalty. The first two wides or no balls per over, shall be re-bowled. However, thereafter, they shall count as a ball, and the batting team will just be awarded with the extra run. Additionally, the ball after all wides and no balls will be a Free Hit.

### **Fielding Restrictions**

No Fielding restrictions will be enforced in the Women's Junior One League. However, Umpires and coaches are asked to use their discretion with regards to fielding restrictions, as this league is a development league and should be seen as an opportunity for players to learn about the laws without being penalised for making mistakes, not to adopt the tactic of using more than four boundary riders.

**Mandatory Retirement**

In the instances where pairs cricket is not being played, any batter whose score reaches or passes 30 shall retire immediately and may return only on the dismissal or retirement (under this Regulation or because of illness, injury or any other unavoidable cause) of the last batter.

**Pitch**

The pitch length shall be dependent on the ball used. Below are the relevant recommendations with each ball used:

- 19,5 Yards = Quartered white/pink 5 oz Cricket ball
- 17 Yards = Senior Pink/White Incrediball
- 17 Yards = Indoor Cricket ball
- 15 Yards = Tennis ball or other softer ball

**Boundaries**

There are no boundary restrictions, as we understand different surfaces will be used throughout the league. However, we would encourage boundaries to be no smaller than 35 yards and no bigger than 50 yards (measured from the middle stump of each end).

**Umpires**

In the Challenge Plate and **Junior League Section One**, each team shall supply its own umpire, who should if possible be the team coach, and the umpires may offer verbal support and advice to the players during the match.

  - (c) where teams are still equal, it shall be decided by a bowl-out.
35. Where a competition has two groups, the winners of each group will host the runners-up of the other group in the Semi-Finals. Where a competition has only one group, the top two teams will meet in the Final.

## RUN RATE (GROUP MATCHES IN T20 CUP, TROPHY AND PLATE, ALL MATCHES IN THE WOMEN'S CHALLENGE CUP AND ALL WOMEN'S PREMIER LEAGUE AND SENIOR LEAGUE MATCHES)

36. A team's **run rate** shall be the average number of runs per over scored by the team (including any penalties awarded under Bye-law (o)).
37. Where a team is all out, its run rate shall be based on the maximum total number of overs available to it when its innings ended, and not on the actual length of its innings.
38. A team's **net run rate** shall be the average number of runs per over scored by that team, less the average number of runs per over scored by its opponents (including any penalties awarded under Bye-law (o)).

## FOREFITTED MATCHES

39. Any team failing to fulfil a fixture, except for a reason beyond its control, shall be deemed to have lost the match. In addition, it shall be fined and be liable for any expenses necessarily incurred by its opponents prior to their being notified that the fixture would not be fulfilled.
40. For each competition, or part thereof, to which net run rate applies, the Directorate shall determine the adjustment to be made to the aggregate runs and overs of the defaulting team and its opponents for the purposes of calculating net run rate.

## **MIDWEEK LEAGUE RULES**

1. The competition shall be open to players who are eligible to play in the Lindsay (Minor) Cup.
2. The Domestic Cricket Directorate shall appoint a Competition Secretary to run the competition on its behalf.
3. Fixtures published at the start of the season may be altered only in exceptional circumstances and with the approval of the Competition Secretary.
4. Matches shall be played on one evening. The visiting team shall bat first. Each innings shall be limited to 20 overs. No bowler may bowl more than 4 overs. When a batter's score reaches or passes 30, they shall retire.
5. Points shall be awarded as in Competition Rule F14.
6. Umpires shall be provided by the batting team.

## **BYE-LAWS**

The following Bye-laws shall apply, all Laws or parts of Laws inconsistent with the Bye-laws being suspended:

### **(a) Start of Match**

The Umpires shall ring a bell (where one is available) or otherwise advise both teams 5 minutes before the time arranged for the match to start and 5 minutes before the re-start after any interval or stoppage where the players leave the field.

### **(b) Declarations**

Law 15 shall not apply: no innings may be declared closed.

### **(c) Tea Interval**

The tea interval shall not exceed 30 minutes and should, preferably, be taken between innings. However, if the innings of the team batting first is completed more than 60 minutes prior to the latest finishing time for the innings as prescribed in (o) below, a 10-minute break will occur, after which the team batting second will start its innings and the interval will be taken at the latest finishing time for the first innings. Where the layout of the ground makes a 30-minute interval impracticable, an extension to 40 minutes may be agreed by the captains and umpires prior to the toss.

### **(d) Boundary Markings**

A continuous rope, or white line with flexible plastic flags if a rope is not available, shall mark the boundary on all grounds. Runs awarded for boundaries shall be standardised as 4 runs and 6 runs respectively.

It is recommended that a safety margin of at least three yards (2.74 m) beyond the boundary should be maintained. This safety zone should be clear of any hard or injurious material/object (for example seating, sight screens, advertising boards, fencing etc) or any significant change of slope or ground condition that could cause a player injury whilst they are fielding near to or beyond the boundary.

### **(e) Scoreboard**

The number of completed overs and/or the number remaining to be bowled shall be shown on the scoreboard and updated at the end of each over. In matches in the Challenge Cup, Junior Cup, Senior League, Twenty20 Cup, Trophy, Bowl and Plate, the number of overs bowled by each bowler shall be displayed clearly and kept up to date.

### **(f) Balls**

Quartered white balls shall be used in all matches.

### **(g) Covers**

Where covers are available, the pitch shall be completely covered during a match when the umpires so direct. In addition, where possible the bowler's run-ups and the pitches either side of the match pitch shall also be covered.

### **(h) Fielding Circles**

For all matches in the Challenge, Junior and Intermediate Cups, the Senior League, Sections 1 - 3 of the Junior League, Women's Challenge Cup and Women's Premier League, two semi-circles shall be marked on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (25 yards in women's matches). The semi-circles shall be linked by two parallel straight lines marked on the field. The areas shall be marked by continuous painted white lines or 'dots' at 5-yard intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches in diameter. These discs shall not be fixed to the ground by means of a nail/pin or any other dangerous sharp object.

At the instant of delivery, a minimum of four fielders in matches in the Challenge, Junior and Intermediate Cups, the Senior League and Sections 1 – 3 of the Junior League, or five fielders in the Women's Challenge Cup and Women's Premier League, (plus the bowler and wicket-keeper) shall be within this circle.

In the event of an infringement, the striker's end umpire shall call and signal 'No ball'.

#### (i) Powerplays

In the Challenge Cup, Premier League and Section 1 of the Senior League, the following fielding restrictions shall apply:

At the instant of delivery:

- (a) Powerplay 1 - no more than two fielders shall be permitted outside the fielding restriction area defined in (h) above. In an innings of 50 overs, these are overs 1 to 10 inclusive.
- (b) Powerplay 2 - no more than four fielders shall be permitted outside this area. In an innings of 50 overs, these are overs 11 to 40 inclusive.
- (c) Powerplay 3 - no more than five fielders shall be permitted outside this area. In an innings of 50 overs, these are overs 41 to 50 inclusive. Where the number of overs of either innings is reduced, the number of overs within each phase of the innings shall be reduced in accordance with the table below.

If play is interrupted during an innings and the above table applies, the Powerplay take immediate effect. For the avoidance of doubt this applies even if the interruption has occurred in mid-over.

### *Illustrations*

*A 50-over innings is interrupted after 8.3 overs and reduced to 32 overs. The new phases are 7+19+6.*

*Therefore, the middle phase fielding restrictions take immediate effect when play resumes and last for a further 17.3 overs. The final phase begins after 26 overs have been bowled.*

*A 40-over innings is interrupted after 18.5 overs and reduced to 22 overs. The new phases are 5+13+4. When play resumes, the final phase fielding restrictions apply for the remaining 3.1 overs.*

At the start of the middle and final phases of an innings, the umpire shall signal this to the scorers by rotating their arm in a large circle. The scoreboard shall indicate the current Powerplay in progress. In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal "No ball".

### **(j) On Side Fielders**

At the instant of delivery there shall not be more than five fielders on the on side. In the event of an infringement, the striker's end umpire shall call and signal 'No ball'.

### **(k) Free Hit**

In the Challenge Cup, Premier League and Section 1 of the Senior League, the Twenty20 Cup and Trophy, Women's Challenge Cup and Women's Premier League, in addition to the penalty prescribed by Law 21, the delivery following a No ball shall be a free hit for whichever batter is facing it.

If this delivery is not a legitimate delivery (i.e., it is any kind of No ball or a Wide ball), then the next delivery shall become a free hit for whichever batter is facing it.

Off any free hit delivery, the striker can be dismissed only under the circumstances that apply for a No ball (even where the free hit delivery is called 'Wide ball'). Field changes are not permitted for free hit deliveries unless there is a change of striker (where they are permitted because of a change of striker, any other fielding restrictions in place shall continue to apply). However, in all circumstances, any fielder within 15 yards of the striker may retreat to a position on the same line no more than 15 yards from the striker.

Where field changes that are not permitted take place, either umpire shall call and signal 'Dead ball'.

The umpires shall signal a free hit (after the normal No ball signal) by extending one arm straight upwards and moving it in a circular motion.

### **(l) Bowler Incapacitated or Suspended During an Over**

Where a bowler is incapacitated or suspended during an over and another bowler completes the over in accordance with Law 17.8, each part of the over shall count as a full over only in so far as each bowler's limit is concerned.

### **(m) Under-arm Bowling**

Under-arm bowling is not permitted.

### **(n) Wides**

Umpires shall apply a very strict and consistent interpretation of Law 22 in judging leg-side wides. As a guideline to the umpires for the calling of wides on the offside, the crease markings detailed in Appendix 1 shall be marked in white at each end of the pitch. Players or coaches umpiring matches involving teams from the Junior League, Women's Section 1 and Women's Junior League should apply a somewhat less strict interpretation, remembering that the purpose of the Bye-law is to prevent deliberate negative bowling rather than to over-penalise young or inexperienced bowlers for lack of control.

### **(o) Time of Innings**

In all 1 XI fixtures, including the Twenty20 Cup, Trophy, Bowl and Plate, and Junior Cup and Junior League Section 1 and Women's Challenge Cup and Women's Premier League, fixtures to which umpires have been

appointed, each team shall bowl its overs at a rate no less than 15 overs per hour (inclusive of one drinks interval in matches where one is due to be taken).

At the start of each innings, and on the resumption of play after any stoppage, the umpires shall advise the fielding captain of the latest finishing time for the innings. The fielding side must be in a position to bowl the first ball of the last over by this time. Where overs have been lost after the start of the innings, one over's grace shall be allowed, and the fielding side must be in a position to bowl the first ball of the penultimate over by the revised latest finishing time. If a team fails to do so, the umpires shall award the batting team 6 penalty runs (3 penalty runs in the women's competitions) for each over not started by then. The award shall be made immediately after the ball first becomes dead following the latest finishing time. Play shall continue until the normal end of the innings.

In the second innings, if the penalty runs awarded to the side batting second take its score past its victory target, the match shall be over.

If an innings ends before the latest finishing time, no time penalties shall apply to it. The umpires shall have discretion to allow extra time for events beyond the control of the fielding side (eg injuries, lost balls, extra authorised drinks intervals).

The decision of the umpires on all matters relating to this Bye-law shall be final.

#### **(p) Non-Turf Pitches**

Non-turf pitches on appropriate graded/registered grounds may be used for the following matches:

- (1) 'Match 2' fixtures in the Senior League and Junior League Section 1;
- (2) Matches rearranged following postponement due to weather in the Challenge, Junior and Intermediate Cups;
- (3) Any match in Junior League Section 2 and below, the Lindsay (Minor) Cup and Minor Qualifying Cup, and all women's matches; and
- (4) Any match in the Twenty20 Cup, Trophy and Bowl.

Teams should travel prepared to play on non-turf pitches.

#### **(q) Penalty Runs and Disciplinary Sanctions**

In the absence of at least one officially appointed umpire, penalty runs shall be awarded only in respect of Law 28 (illegal fielding, including the ball striking a fielder's helmet on the ground) and none of the disciplinary sanctions provided for in Law 42 shall be applied.

#### **(r) Duckworth/Lewis/Stern**

In any competition in which the Duckworth/Lewis/Stern method is to be used to determine the result of matches curtailed by adverse weather, the following provisions shall apply:

- (1) the home team shall ensure that there is available at the ground a computer loaded with the current DLS software, a compatible and operational printer with a sufficient supply of paper, and a proficient operator and shall ensure before the start of the match that the hardware and software are operating correctly;
- (2) before the scheduled start of the second innings, and at any subsequent interruption that results in overs being lost, the operator shall produce an up-to-date par score printout, and shall provide copies to each captain, the umpires and the scorers;
- (3) at each interruption of play in the second innings where overs are lost, the umpires shall inform the operator of the number of overs lost, allowing sufficient time before play is due to resume for the production and distribution of the par score printouts (the time allowed for this purpose shall not exceed 15 minutes); and
- (4) where overs have been lost in either innings, and the home club fails to provide the par score printouts as required above, the umpires shall award the match to the visiting team;

- (5) where the home team has been denied use of a computer and/or printer through the enforced closure of a pavilion or clubhouse, a par score table generated on a laptop computer, tablet or smartphone may be substituted.

**(s) Scorers**

- (1.1) In each match in the Premier League and Section 1 of the Senior League, and in the Challenge Cup, when the teams are nominated to the Umpires, each captain shall also designate a suitably competent and experienced person (who shall not be one of the nominated players or the twelfth player) as the team's scorer. The designated scorer shall officiate throughout the match. In the event of illness or sudden emergency, or where the match is continued on another day, the designated scorer may be changed, subject to the approval of the Umpires. If this Bye-law is breached, the Umpires shall inform the Union. The offending club(s) shall be fined £25 for each of the first two occurrences in any season and £50 for every subsequent occurrence.
- (1.2) In each match in Section 2 of the Senior League, the Women's Challenge Cup and the Women's Premier League when the teams are nominated to the Umpires, each captain shall also confirm that at all times a suitably competent and experienced person will act as the team's scorer throughout the match. The designated scorer may be changed throughout the match. If this Bye-law is breached, the Umpires shall inform the Union. The offending club(s) shall be fined £25 for each of the first two occurrences in any season and £50 for every subsequent occurrence.
- (2) Scorers may maintain their match records either on paper (scorebook or scoresheets) or electronically (laptop, tablet or phone), however the home side shall retain a full ball-by-ball record of the match (whether on the original scorebook/scoresheets or by way of an electronic device) until after the end of the season. Where any issue arises that requires the Union to scrutinise match records, only this record will be considered.

**(t) Bats**

Only Type A, B or C bats may be used in adult competitions.

**(u) Short-pitched Bowling**

Law 41.6 shall apply to all competitions. In addition, in the specified competitions only:

- (1) Regardless of how wide of the striker a delivery is, there shall in any over be:
- In the Premier League, Section 1 of the Senior League and the Challenge Cup, no more than two deliveries, or
  - In the Twenty20 Cup and Trophy, no more than one delivery that, after pitching, passes, or would have passed clearly over shoulder height of the striker standing upright at the popping crease.
- (2) The umpire shall make it clear to the bowler (and any bowler called upon to complete an over) and the batters at the wicket when a delivery within the above limits has been bowled. It is unfair for the relevant limit to be exceeded and the umpire shall call and signal 'No ball' on each such occasion and shall carry out the other parts of the procedures in Law 41.6.3 (final warning) where the limit has been exceeded for the first time or 41.6.4 (suspension from bowling) where it has been exceeded for a second time.
- (3) In addition, a ball passing above head height of the striker standing upright at the popping crease that prevents the striker from being able to hit it with the bat by means of a normal cricket stroke, and is not being called 'No ball' under the above provisions, shall be called and signalled 'Wide ball'. Any such delivery shall count as one of the allowable short-pitched deliveries in that over.

**(v) Player or Coach Umpires**

Players or coaches acting as umpire in the absence of officially appointed umpires shall be dressed as similarly as possible, in a manner that is appropriate to umpires and distinguishes them clearly from the players on the field.

### **(w) Super Overs**

Where the regulations for any competition require the use of one or more Super Overs, the following procedure shall apply:

- (1) Subject to weather conditions, the Super Over shall take place at a time to be determined by the umpires. In normal circumstances it shall start 10 minutes after the end of the main match.
- (2) The Super Over shall take place on the pitch allocated for the main match unless otherwise determined by the umpires in consultation with the ground authority.
- (3) The umpires shall stand at the same ends as at the end of the main match.
- (4) In both innings of the Super Over, the fielding side shall choose from which end to bowl.
- (5) Only players nominated for the main match may participate in the Super Over. Should any player (including the batters and bowler) be unable to continue to participate in the Super Over due to injury, illness or other wholly acceptable reason, the relevant Laws relating to replacement players and substitutes shall apply.
- (6) Any penalty time being served in the main match shall be carried forward to the Super Over.
- (7) Each team's Super Over shall be played with the same fielding restrictions as applied to the final over of the main match.
- (8) The team batting second in the main match shall bat first in the Super Over.
- (9) The same ball (or a ball of a similar age if the original ball is out of shape or lost) as used at the end of the team's innings in the main match shall be used for the Super Over.
- (10) The loss of two wickets in the Super Over ends the team's one-over innings.
- (11) The team with the greater score after the Super Over shall win the match.
- (12) If both teams have the same score at the end of the Super Over, and providing the umpires are satisfied that conditions allow, then a second Super Over shall be played.
- (13) In normal circumstances the second Super Over shall start 5 minutes after the previous Super Over ends.
- (14) The team batting second in the first Super Over shall bat first in the second Super Over.
- (15) All other playing conditions shall be the same as for the first Super Over.

### **(x) Pitch Preparation**

Home clubs are required to ensure, to the best of their ability, that pitches are prepared to a standard appropriate to the level of cricket to be played on them and that the pitch and its surrounds are adequately protected from rain prior to the match and during any breaks in play.

Where the umpires are of the opinion that a club has failed adequately to meet either or both of these requirements, they shall report the matter to the Union. If the Competitions Committee, having considered the umpires' report and any representations from the clubs involved in the match, deems the home club to have failed to comply with this obligation it shall impose one or more of the following penalties:

- i. award of the match to the visiting team if the latter did not win it (in which event the home club shall, for net run rate purposes (see Rule F7), be deemed not to have fulfilled the fixture);
- ii. deduction of League points;
- iii. a fine of up to £100.

### **(y) Clothing**

Coloured clothing shall be worn in all league, cup and T20 matches.

### **(z) Non-striker leaving their ground early**

Law 38.3, relating to the running out of the non-striker by the bowler before delivering the ball, shall apply only where officially appointed umpires are standing. Where this is not the case, no such appeal shall be considered, and dead ball shall be called and signalled as soon as possible after the non-striker's wicket has been broken.

**APPENDIX**

## **DISCIPLINARY BYE-LAWS**

### **1. JURISDICTION OF NORTHERN CRICKET UNION**

Where the alleged offence was not so witnessed by the Umpires, the Complaint may be made by a duly authorised officer of the opposing club or of the Union.

### *Level 1 Offence*

**5.3** If the Complaint relates only to a Level 1 Offence by a player, the Chair or Vice- Chair of the Disciplinary Committee shall deal with the matter on the basis of the documentation as follows, without a hearing:

- 5.3.1 A person appointed by the Union shall provide a copy of the Complaint to the player and invite a written submission from them. It shall normally be sufficient to send such Complaint to the Hon Secretary of the player's club.
- 5.3.2 Any such submission shall be received not more than seven days from the date that the player receives a copy of the Complaint.
- 5.3.3 The Disciplinary Panel, at the request of the Respondent or on its own initiative, may require the Respondent and/or the person making the Complaint to supply it, within such time as it determines, with further particulars of the incident(s) and the Respondent and/or the person making the Complaint shall comply with that direction.
- 5.3.4 Having received the player's written submission or any other submission requested under Bye-law 5.3.3, or if none is forthcoming, the Chair or Vice- Chair shall reach a decision on the Complaint and advise the player in writing by letter or email of their decision and of any penalty.
- 5.3.5 There shall be no appeal from such a decision.

### **b) Complaints under the Cricket Ireland Safeguarding Pack**

**5.4** The Complaint shall be in writing and must be sent to the person appointed by the Union within a reasonable time after the end of the match, coaching session or tournament at which the alleged offence occurred. Insurance | Risk Management | Consulting

- 5.7** The Disciplinary Panel shall have a quorum of three but may proceed with fewer with the agreement of the Respondent.
- 5.8** Each member shall have one vote. In the event of an equality of votes for any reason, the Chair shall have a casting vote.
- 5.9** In appointing the Disciplinary Panel, the Chair or Vice-Chair of the Disciplinary Committee shall, insofar as is practical, endeavour to ensure that no person is appointed who has a conflict of interest in relation to the Complaint or the Respondent.
- 5.10** The Disciplinary Panel shall have all powers necessary for, and incidental to, the exercise of its functions and, subject to these Bye-laws, it shall have the power to regulate its procedures.
- 5.11** The hearing shall be held as soon as reasonably practical and shall be confidential and held in private, unless the Disciplinary Panel decides otherwise.
- 5.12** The Disciplinary Panel may postpone or adjourn a hearing if appropriate, including if it considers it necessary to call evidence that was not available at the hearing.
- 5.13** The Respondent, or in the case of a club a duly authorised officer of the club, shall be invited by the person appointed by the Union to attend the hearing. It shall normally be sufficient to send such invitation through the Hon Secretary of the Respondent's club.

The Respondent shall be sent a copy of the Complaint and notified in writing of:

- (i) Their entitlement to have the matter dealt with under Bye-law 5.14.
- (ii) the place and time of the hearing;
- (iii) Their entitlement to be accompanied to the hearing, at their own cost, by a supporter. The supporter may be a work colleague, fellow player, family member or friend. They are not entitled to be legally represented;
- (iv) where applicable, the requirement that any Respondent aged under 18 shall be accompanied at the hearing by a responsible adult (preferably their parent or Carer); and
- (v) Their entitlement to call witnesses to give evidence at the hearing.

Where the Respondent is aged under 18, the Hon Secretary of their club should notify the Respondent's parent or Carer.

- 5.14** For all offences other than Level 1 Offences, a Respondent may admit to the offence in writing to the Secretary and submit in writing any statement they wish to make as regards the appropriate penalty. In such circumstances, the Disciplinary Panel shall decide the penalty without the need for a hearing.
- 5.15** The Disciplinary Panel, at the request of the Respondent or on its own initiative, may require the Respondent and/or the person making the Complaint to supply it, within such time as it determines, with further particulars of the incident(s) giving rise to the Complaint, including details of all witnesses whom the Respondent intends to call at any hearing together with details of the evidence to be given by those witnesses, and the Respondent and/or the person making the Complaint shall comply with that direction.
- 5.16** Any failure by a Respondent or Complainant to comply with any requirement or direction of the Disciplinary Panel, including those requirements or directions to be complied with within a time period, shall not prevent the Disciplinary Panel from proceeding and such failure may be taken into consideration by the Disciplinary Panel when making its decision.

- 5.17** The Disciplinary Panel shall have the power to decide on the admissibility, relevance and weight of any evidence and shall not be bound by any legal rules in relation to such matters. Facts may be established by any reliable means, including admissions.
- 5.18** The Respondent's supporter may advise the Respondent during the hearing, may question witnesses and make representations on the Respondent's behalf, and may seek procedural guidance from the Disciplinary Panel. They shall not answer questions on the Respondent's behalf.
- 5.19** If the matter proceeds to a hearing, it will be expected that the Complainant(s) and Respondent will attend the hearing. Any failure by the Complainant(s) or Respondent (or their supporter) to attend a hearing after notification shall not prevent the Disciplinary Panel from proceeding with the hearing in their absence, and such failure may be taken into consideration by the Disciplinary Panel when making its decision. Where the Complaint relates to abusive behaviour as defined in Bye Law 3.5, the Disciplinary Panel may, in its discretion, dispense with the requirement that the Complainant attend the hearing.
- 5.20** A note shall be taken of all hearings by a person appointed by the Disciplinary Panel, normally a member of the panel.

## **6. THE DECISION AND PENALTY**

- 6.1** For the avoidance of doubt, although a Complaint may categorise an offence as a Level 1 or other category of offence, a Disciplinary Panel shall not be bound by that categorisation and may decide that another category of offence, and therefore penalty, is appropriate.
- 6.2** The standard of proof shall be whether the Disciplinary Panel is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a very high probability (for the most serious offences).
- 6.3** In deciding a penalty, the Disciplinary Panel shall have regard to any prior disciplinary record of the Respondent.
- 6.4** The decision of the Disciplinary Panel shall be given to the Respondent (in the case of a Respondent aged under 18, their parent or Carer) within three days by letter or email through the Honorary Secretary of the Respondent's club. Where the Complaint was made by the Umpires, a copy of the decision shall also be sent to the Honorary Secretary of the Northern Ireland Association of Cricket Umpires and Scorers. Where the decision relates to abusive behaviour as defined in Bye Law 3.5, or otherwise gives rise to issues of child safeguarding, a copy shall be sent to the Designated Person.

## **7. APPEAL PROCESS**

- 7.1** A Respondent may appeal from the decision of the Disciplinary Panel as to the finding of liability, the penalty imposed or both, other than as provided in Bye-law 5.3.
- 7.2** Any appeal must be made in writing and sent to the person appointed by the Union by letter or email no later than five working days after receipt of the written decision of the Disciplinary Panel and:
- 7.2.1** must be accompanied by a deposit of £50, which may be lodged into the NCU Bank Account within the five working days timeframe; and
- 7.2.2** must set out the grounds for the appeal.

- 7.3** The Chair of the Appeals Committee shall, once an appeal has been received, appoint an Appeal Panel and forward to them details of the Complaint, any witness statements, the decision of the Disciplinary Panel and the note of the hearing.
- 7.4** An individual panel ("Appeal Panel") comprised of a Chair, who shall be a member of the Appeals Committee, and at least two other members, shall be appointed by the Chair or Vice-Chair of the Appeals Committee to adjudicate on the appeal or appeals. Where the Complaint relates to abusive behaviour as defined by Bye Law 3.5, the Designated Person (or where they are unable to act, a deputy appointed by the Union) shall attend the hearing and shall give advice to the Appeal Panel on any matters relating to Child Safeguarding. The Designated Person's role shall be advisory only.
- 7.5** The Appeal Panel shall have all powers necessary for, and incidental to, the exercise of their functions and, subject to these Bye-laws, they shall have the power to regulate the procedures of matters which come before them. They shall conduct the appeal hearing in accordance with Bye-laws 5.10-5.19 with such adjustments as they deem necessary in order to reflect the different context.
- 7.6** The Appeal Panel shall deal with appeals in respect of Level 1 offences (other than those by a player, where 5.3.5 applies) and Level 2 offences purely on the basis of the documentation and there shall be no hearing.
- 7.7** Appeals in respect of all offences other than Level 1 or Level 2 offences shall proceed by way of a *de novo* hearing (i.e., a fresh hearing of the evidence and/or submissions on penalty as may be applicable) by the Appeal Panel.
- 7.8** The Appeal Panel may confirm, vary, or reverse the decision of the Disciplinary Committee, and may increase or reduce any penalty imposed. The Appeal Panel shall also have the power, where it considers the appeal to be without merit, to order the deposit to be forfeited.
- 7.9** The Appeal Panel shall give their decision within seven days of the hearing. If the Panel considers that there are circumstances which require a period longer than seven days, they shall so advise the Respondent (in the case of a Respondent aged under 18, their parent or Carer).
- 7.10** If the Appeal Panel considers that they require further information, then they may request such information from the person(s) from whom they need it. They may stipulate the time within which it must be forwarded to them and the time for the determination of the appeal shall be suspended.
- 7.11** The Appeal Panel may direct that the deposit may be returned if the appeal is successful or if they consider that there were valid grounds for the making of the appeal which justify the return of part or all of the fee.
- 7.12** The decision of the Appeal Panel shall be given to the Respondent (in the case of a Respondent aged under 18, their parent or Carer) by letter or email through the Honorary Secretary of the Respondent's club. Where the Complaint was made by the Umpires, a copy of the decision shall also be sent to the Honorary Secretary of the Northern Ireland Association of Cricket Umpires and Scorers. Where the decision relates to abusive behaviour as defined in Bye Law 3.5, or otherwise gives rise to issues of child safeguarding, a copy shall be sent to the Designated Person (or where they are unable to act, a deputy appointed by the Union).
- 7.13** The decision of the Disciplinary Panel or, on appeal, the Appeal Panel shall be final and binding.

## **POLICY ON GAMBLING**

### **Preamble:**

This policy applies to all members of all clubs competing under the auspices of the Union. It will also apply to all members of all clubs under the auspices of the Union competing in competitions governed by any other governing body including, but not limited to, Cricket Ireland.

The purpose of this policy is to ensure the integrity of the game of cricket and not to penalise the traditional “sweep” often seen at local cricket games occurring between spectators at any given match. Unless there is evidence that there is an attempt to compromise any game or competition no action will be taken in relation to such activities. In any event players participating in any given game are strongly advised not to enter such traditional “sweeps”.

### **Betting:**

It will be an offence for the persons outlined in the preamble hereto, if a player (which includes twelfth men) is involved in:-

1. Placing, accepting, laying or otherwise entering into any bet with any other party (whether individual, company or otherwise) in relation to the result, progress, conduct or any other aspect of any match or competition in which the player is participating.
2. Soliciting, inducing, enticing, instructing, persuading, encouraging, facilitating or authorising any other party to enter into a bet in relation to the result, progress, conduct or any other aspect of any match or competition in which the player is participating.
3. Ensuring the occurrence of a particular incident in a match or competition which occurrence is to the player's knowledge the subject of a bet.

### **Level of Offence:**

In general terms, the level of offence will be considered on a sliding scale from level 1 to level 3.

L1 - Placing a bet or having a bet placed in relation to a match in which the player placing a bet or having a bet placed is competing;

L2 - Placing a bet or having a bet placed in relation to the player's own performance in a match in which a player's team is competing;

L3 - Placing a bet or having a bet placed in relation to a match in which a player's team is competing AND attempting to, or in fact, negatively influencing the result of said match or an event therein.

**Standard of Proof:**

For L1 and L2 complaints, the standard of proof that an offence has occurred will be on the balance of probabilities.

For a L3 complaint, the standard of proof will be that there is “a very strong likelihood” that the offence did in fact occur.

**Penalty:**

The disciplinary committee upon hearing a complaint and making a finding that a breach has occurred will, having considered all the relevant matters, decide the appropriate penalty ranging from a formal warning as to future conduct to suspension for a period of at least 12 months for the most serious of offences.

## YOUTH CRICKET GENERAL RULES

### 1. ELIGIBILITY:

- (a) UNDER 11 – Pupils in primary school or below, or under 11 on 1 July in the year before the competition;
- (b) UNDER 13 – Pupils in second form or below, or under 13 on 1 July in the year before the competition;
- (c) UNDER 15 – Pupils in fourth form or below, or under 15 on 1 July in the year before the competition.

### 2. Under 11 cricket to be played on a 17.5 yard pitch with a 4.75 oz ball. Boundaries to be a maximum of 30 yards.

Under 13 cricket to be played on a 19.5 yard pitch with a 4.75 oz ball. Boundaries to be a maximum of 40 yards.

Under 15 cricket to be played on a 22 yard pitch with a 5.50 oz ball. Boundaries to be a maximum of 50 yards.

- 3. In all U11/13 and 15 leagues each innings shall be a maximum of 20 overs. Each bowler is limited to a maximum of 1/5 of the agreed overs.
- 4. When a batter's score reaches or passes 30 in the U11 league (50 in the U13 league, 50 in the U15 league) they shall retire. At the fall of the last wicket retired batters may resume their innings in the order of retirement.
- 5. Where a club has two teams in the same age-group, the club shall star 6 players who can only play for the 'A' team. A list of starred players shall be provided to the Section Secretary and, on request, to the coaches/managers of opposing teams.
- 6. Results are to be notified by the **WINNING TEAM** by **e-mail or text** to the Section Secretary within 2 days of the scheduled date of the match (e.g. A 102-7 beat B 86 -8). ***Failure to so notify will result in the match being declared void. [A full match report form will only be required if specifically sought by the Section Secretary, and in such instance shall be required within four days of the request. In such a case, the failure to properly notify shall result in the match being awarded to the losing team]***
- 7. Any section match not completed by the Monday week following the due date shall be deemed void unless both teams agree to play it on a later date and the Section Secretary is so informed. Any team failing to fulfil a match, except for legitimate reason shall be deemed to have lost the match. The section secretary will rule on whether the reason was 'legitimate'. There is no appeal from that decision.
- 8. Four points for a win and 2 for a tie.
- 9. Abandoned games, if at all possible, should be re-arranged by agreement. The Section Secretary may impose a date if necessary.
- 10. In the event of equal points at the top of a section between two teams the result between the two teams shall decide the winner. If still tied or there are more than two teams tied the winner shall be the tying team which has played the greater/greatest number of matches. If there is still a tie the winner shall be decided by the drawing of lots by the Competition Secretary.

11. Where a match ends prematurely due to weather interruptions, the result will be calculated on the basis on run rate per over achieved by each side provided each innings has reached a minimum of 10 overs. This rule shall apply to all league games and cup matches up to and including semi-finals.

#### **KNOCK-OUT STAGES – IN ADDITION TO GENERAL RULES**

12. The winner of a tied match (where both teams finish with same number of runs regardless of wickets lost) will be decided by a 'golden over'.  
Each team shall bat for an additional over. The over can be bowled by any bowler. The batting team shall have a maximum of three batsmen. If they lose two wickets, the over is finished. No-balls and wides will have a one run penalty and will be bowled again. **There is no 'free hit'**. The team scoring the greater number of runs shall be the winner.  
If the scores are tied the team losing the lesser number of wickets shall be the winner. If still tied, the 'golden-over' will be replayed until there is a winner.
13. In the knock-out stages the first named team shall have home advantage. A knock-out game not played by reason of weather or other reason by agreement of the Competition Secretary shall be re-arranged for a date on, or before, the following Monday. If both teams have travelled and the match not completed, the original away team shall then have home advantage. In the event of a second postponement the result shall be decided by bowl-out - five players from each team shall bowl at a set of unguarded stumps. The side scoring the greater number of hits from legitimate deliveries shall be the winner. In the event of a tie the bowl out shall continue with the same bowlers bowling alternate deliveries on a sudden death basis from an equal number of deliveries
14. In the event a final is delayed the Competition Secretary shall set a date for the re-arrangement. In the event of undue delay, the teams shall be declared joint winners.

**The Competition Secretary shall rule on any dispute, and his/her decision shall be final.**

**NOTE: ALL CLUBS ENTERING THE LEAGUE COMPETITIONS SHALL BE DEEMED TO BE FULLY AWARE OF THE APPLICABLE RULES.**

## **YOUNG CRICKETER DIRECTIVES**

**These Directives are applicable to all club competitions played under the Union's auspices, and to schools' competitions where not otherwise covered by their own regulations.** Age groups are based on the age of the player on 1 September in the year preceding the competition.

It must be noted that the Directives are aimed at an individual's age as opposed to the age group of the match being played. For example, a player who because of their age, falls into the under 15 group, must abide by the restrictions laid down for that age group. This will apply even though they may be playing in an under 17 match. They cannot bowl/field using the under 17 restrictions, they are still bound by the under 15 restrictions.

### **FIELDING DIRECTIVE**

#### **Fielders**

No young player in the under 15 age group or younger shall be allowed to field closer than 8 yards (7.3m) from the middle stump, except behind the wicket on the offside, until the batsman has played at the ball. For those in the under 13 age group and below, the distance is 11 yards (10m). These minimum distances apply even if the player is wearing a head protector.

Should a player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back. Any player in the under 16 to under 18 age groups who has not reached the age of 18, must wear a head protector, and for boys, an abdominal protector (box) when fielding within 6 yards (5.5m) of the bat, except behind the wicket on the offside.

Non-compliance with this Directive will result in the umpires stopping the game and instructing the fielder to put on a head protector and/or abdominal protector, and/or stand back from the stumps. If non-compliance continues, the umpire should not allow the match to continue.

#### **Wicketkeepers**

Any wicketkeeper under the age of 18 (on the day of the match) must wear a head protector when standing up to the stumps. This applies to all speeds of bowling. Non-compliance with this Directive will result in the umpires stopping the game and instructing the wicketkeeper to put on a head protector or stand back from the stumps. If non-compliance continues, the umpire should not allow the match to continue.

### **BOWLING DIRECTIVE**

For the purpose of this Directive, a fast bowler is defined as a bowler to whom a wicketkeeper in the same age group would, in normal circumstances, stand back to take the ball. This does not preclude the umpires from insisting that these Directives apply even though the ability of the wicketkeeper means that they are capable of standing up to what they consider to be a fast bowler.

<b>U14, U15</b>	<b>6 overs per spell</b>	<b>12 overs per day</b>
<b>U16, U17</b>	<b>7 overs per spell</b>	<b>18 overs per day</b>
<b>U18, U19</b>	<b>7 overs per spell</b>	<b>18 overs per day</b>

In addition to these, it is recommended that in any 7-day period a fast bowler should not bowl more than 4 days in that period and for a maximum of 2 days in a row. For example: in a tournament lasting 5 days, a fast bowler would bowl on days 1 and 2: not bowl on day 3: bowl on days 4 and 5. Having completed a spell, a bowler cannot bowl again, from either end, until an equivalent number of overs to the length of their spell has

been bowled from the same end. If a bowler only completes part of their permitted spell, the above restriction still applies. For example, if they are allowed 7 overs, but only bowls 4, they cannot bowl again, until 4 overs have been bowled from the same end. they cannot resume their 'spell' after 2 overs from the same end, claiming that they are allowed another 3 overs to make up their 7. However, a bowler is allowed to change ends during a spell without taking a rest. This can only be done provided that they bowl the next permissible over from the other end.

If there is an interruption in play, whether scheduled or not, they will be allowed to count time off the field as part of their 'rest time'. During this interruption, the bowler may count every 7 minutes of the interruption as being equivalent to 1 over at each end. If play is interrupted for any reason for less than 40 minutes, any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. In this case, the bowler cannot claim any time off the field as rest time and their spell will still be in progress even though play is suspended. If the spell is not continued after the interruption, the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of their spell before the interruption has been bowled from the same end. If the interruption is of 40 minutes duration or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match, they cannot exceed the maximum overs per day for their age group even if they subsequently bowl spin. they can exceed the maximum of overs per spell if bowling spin only but cannot then revert to bowling fast until an equivalent number of overs to the length of their spell has been bowled from the same end. Any spell that includes fast bowling must not exceed the maximum number of overs per spell even if some of the spell is of spin.

#### **Umpires' responsibility**

The umpires are expected to monitor these players and keep records of the overs such players' bowl. Once the maximum allowance for any one spell has been reached, they will inform the player and the captain accordingly, and will not allow the player to bowl again until the requisite rest period has been fulfilled. Prior to the game, the manager / coach / captain will inform the umpires in writing, of any player who comes under this Directive. If during the game, the umpires consider that any other players come under this Directive, they shall inform the manager / coach / captain as soon as is practical, that these players shall be subject to the above Directives. The umpire has final say in what constitutes fast bowling /a fast bowler.

#### **BATTING DIRECTIVE**

Any batsman under the age of 18 (on the day of the match) must wear a helmet when batting. Non-compliance with this Directive will result in the umpires stopping the game immediately and instructing the batsman to put on a helmet. If non-compliance continues, the umpire should not allow the match to continue.

#### **MINIMUM AGE**

For young cricketers to play adult cricket they must be in second year of secondary education. The only exception would be that they are in the Union's reduced U13 inter-provincial squad. They must be in the named squad at the end of the RDS sessions in the spring leading into the summer. They must also be in secondary school education.

If any young cricketer in first year of secondary education is selected to play in adult cricket the club must obtain Union approval by writing to the General Secretary identifying the circumstances. The club must also ensure that all aspects of the Safeguarding Children guidelines are adhered to.

This ruling applies to young cricketers playing in woman's cricket.

It is strongly recommended that a parent, carer, or other identified responsible adult is present whenever a player in the Under 13 age group or younger plays in an adult match. This could include the captain or other identified adult player taking responsibility for the young player.
